

### FUEL ONLY RATES FOR COMPANY CARS

If you are provided with a company car, and to avoid a benefit in kind for fuel, many employees choose to purchase their own fuel and put through an expense claim for the 'fuel only' element of the miles they have accrued. Hybrid cars are treated as either petrol or diesel cars for this purpose. The rates change quarterly.

From 1 <sup>st</sup> September 2020		
	Petrol	LPG
Engine Size	per mile	
1400 cc or less	10.4p	6.9p
1401cc to 2000 cc	12.3p	8.2p
Over 2000 cc	18.1p	12p
Engine Size	Diesel - per mile	
1600cc or less	8.6p	
1601cc to 2000cc	10.6p	
Over 2000cc	12.4p
